

# LIFE SKILLS AWARDS

Our awards are designed for hands-on, practical offline completion, with all evidence and progress easily tracked and managed through our app for a seamless experience. They support children developing independence, grit and determination to try new things.

## THE LITTLE STAR AWARD

for ages 3-5

### Real life tasks & challenges

This award encourages independence, creativity, and life skills through off screen engaging, age-appropriate challenges promoting key priorities for early years targets.

### Videos to guide each task

Guided by the friendly characters Fox and Bear, your children will explore new skills and complete tasks that align with key developmental milestones.

### Celebrate achievement

Once you have completed all your tasks you will earn your little star personalised certificate and special keepsake fox or bear depending on your level.

## THE RISING STAR AWARD

for ages 5 - 13

### Real life tasks & challenges

The Rising Star Award empowers children to build real-life skills offline—focusing on life skills, entrepreneurship, citizenship, sustainability, and wellbeing.

### Videos to guide each task

Each task and challenge includes a top-tip video offering guidance to help children complete it and learn new skills along the way.

### Celebrate achievement

Once you have completed all your tasks you will earn a rising star personalised certificate and special keepsake badge, medal or shield depending on your level.

**YOUR PROGRESS IS TRACKED, WITH EACH TASK REVIEWED BY YOUR SCHOOL**

#### 1 Upload evidence

Complete a task and upload your evidence, show us how you completed it (photo, audio, or video).

#### 2 Self Reflection

Reflect on the task and write a short reflection —how did you find it?

#### 3 Submit to your Teacher

Submit for your teacher to review. Now, onto the next one!
